WATERWOOD OUR HOME

Thanksgiving in **Waterwood** was beautiful. We at **WNN** hope all of you **Waterwoodians** had a great time with family and friends.

WATER VIEWS

WNN took a trip on the **Waterwood** waters to take photos of our community from the water side. We thank **Butch Johnson, Waterwood's "Renown Fisherman"**, for taking us on a quick and cool trip around our community.

We hope those of you who do not get to see our neighborhood from the water will enjoy these photos on pages **5** and **8**.

HOLIDAY LIGHTING CONTEST

The **WNN** is sponsoring the First Annual **Waterwood** Holiday Lighting Contest. There are two categories of competition; small and large homes. Three trophies will be awarded in each category.

Please see the details on **page 9**. We hope that you will participate in **lighting up** our neighborhood for the Holidays.

THE FIRE TRUCK IS HERE

At 6:45 PM on 11/28, **Donnie and Linda Marshall** rolled into the fire station with the New **Fire Truck**. They traveled over 1200 miles driving to **Waterwood**. See more photos on **page 11**.

CONGRATULATIONS

The **Waterwood** Community Association, **WCA**, continues to keep the Golf Course playable and in good condition. The following "before and after" photos show what this group has accomplished.

Before

After

Please read their "open letter" on **page 10**. This group, lead by Willie Wigginton and Barry Stanley, needs your support.

We at the **Shideler** household wish all of you **Waterwoodians** the very best for a very **Merry Christmas** and a **Happy New Year**.

SPEED LIMITS

Well neighbors, your loyal Editor has made a Thanksgiving Resolution, to **slow** his truck down while driving on our streets. We hope that those of you who **speed** on our streets will also make that pledge.

The **speed** limit on our streets off of the Parkway is **20 MPH**. The **speed** limit on the Parkway, within the inhabited, area is **40 MPH** and the **speed** limit, on the Parkway from the dump area to 190, is **60 MPH**.

Folks, "**S T O P**" means **stopping** at those eight sided **red** signs posted at intersections around our neighborhood.

Please be careful, because we do not have a lot of traffic in our community and we sometimes develop "**BAD habits**" of running through our **STOP** signs without looking for on coming traffic.

Waterwood Boat Club

The **WBC** held its annual business meeting in the **Waterwood** Improvement Association's new community meeting room. The meeting was called to order by Vice President, Mike Burney. There were 16 members present.

Mike Burney reviewed the year's activities, which included a social at the Lakeside Marina in Onalaska, a fish fry at the Barnett's, a boat trip up Lake Livingston and the Trinity River to the Highway 19 bridge and the boat parade on July 4th.

Earl McVay, Secretary and Treasurer, reviewed the minutes of the August 22, 2009 meeting and they were approved. He also reported on the WBC financial condition.

The election of officers for 2010 was held. Mike Burney was elected President; Tom Readal was elected Vice President; and Earl McVay was reelected Secretary/Treasurer. Carol McVay was appointed to chair the Social committee, with Janas Goldsmith and Jane Presley agreeing to help her on planning the activities for 2010.
